

The Gulf in freedom!

Your company offers you various cruise offers on the Gulf of Morbihan in order to best meet your expectations.

You can choose your departure port, Vannes, Port-Navalo, Locmariaquer, Auray or La Trinité-Sur-Mer, but also the time you wish to devote to discovering one of the most beautiful bays in the world: morning, after - noon, day or a few hours only.

To do this, your company has classified outings on the Gulf of Morbihan into three categories: mini-cruise, non-stop cruise, cruise with one stopover, cruise with two stopovers. Here you will find a definition of each of these services to help you make your choice:

The mini cruise: you set off to discover part of the Gulf of Morbihan. Departing from Vannes, you mainly cross the North of the Gulf, and the approach to the Île d'Arz and the Île aux Moines but without stopping there.

The non-stop cruise: you sail on all or part of the Gulf of Morbihan. Look for the colors of our circuits to make your choice. This can range from a cruise around Île aux Moines from your port of departure to the entire circuit including the entrance to the Gulf, at the gates of Port-Navalo and Locmariaquer. You are not stopping on one of the islands (but the ship can stop there to drop off or pick up other passengers)

The cruise with 1 stopover: This is the definition of the previous cruise with a stopover on the island of your choice (Île aux Moines or Île d'Arz). Depending on the time you want to allow yourself on the island, take a good look at the proposed stopover offer.

The cruise with 2 stops: It's complete! You take advantage of your cruise on the Gulf of Morbihan and a stopover on the two islands to allow you to have a very good overview of the entire Gulf of Morbihan.

Depending on whether you choose to spend the day, a morning or an afternoon there, the range of our offers will meet all your expectations. Welcome aboard and we wish you a wonderful discovery of the Gulf of Morbihan, one of the most beautiful bays in the world!
